

LIABILITY - BODILY INJURY

A liability or "Bodily Injury" case means you were injured on the premises of a responsible party - other than yourself. This does not mean, however, that you are on responsible for your bill. We require regular 30 day payments on your account. If the person responsible does not comply with this arrangement, we will of course expect you to make these payments.

Name: _____

Today's Date: _____

Chart #: _____
